- Administrative SOPs
- AI / EdTech product demos
- Production coordination

TOOLS

Excel · Google Sheets · Word · Google Docs · Calendly · Vibe Coding · Prompt Engineering

EDUCATION · ADMISSIONS · WRITING

I came to education through film production, where small details often carried the strongest stories. I bring that same attention to English teaching and admissions writing: listening, asking questions, and helping students choose what to share without taking over their voice. My school counseling experience also includes family meetings, bilingual guidance materials, and the coordination behind them.

PROFESSIONAL EXPERIENCE

Kang Chiao International School
Aug–Oct 2026

College Counselor · Xiugang Campus

- Conducted Grade 9 family meetings; prepared profiles from academic records, interests, and Holland Code results; documented follow-up points.
- Managed Calendly bookings and reconciled student leave, campus visitor, and parent contact records for meeting logistics.
- Supported bilingual counseling resources, university ranking research, information sessions, SOPs, and reflective teaching materials.

Independent Tutoring / AmazingTalker
Nov 2021–Present

English Tutor & Admissions Writing Advisor

- Delivered individualized IELTS, TOEFL, academic English, and writing lessons with structured feedback and goal setting.
- Helped undergraduate and graduate applicants prioritize experiences and revise CVs and personal statements.

Wisdome
Nov 2025–Jul 2026

EdTech Business Development & Product Analyst (Project)

- Engaged approximately 10 tutoring centers to gather teaching and business needs; contributed to product demonstrations and proposals.
- Created an interactive demo of AI question banks, learning-gap analysis, and phased trial scenarios.

NY Kindergarten
May–Jul 2026

Head of Marketing and Strategy · Hsinchu

- Contributed to English-learning pathway positioning, parent-facing content, and school branding communications.

Freelance Commercial Video Production
Nov 2021–Nov 2022

Producer / Project Coordinator

- Coordinated communications and schedules for branded media projects involving 7-ELEVEN, LG, China Airlines Cargo, and Hyundai.

SELECTED STUDENT OUTCOMES

IELTS — Two students attained bands 7.0 and 8.5.

NYU Stern — Helped an admitted applicant prioritize distinctive experiences.

Carnegie Mellon — Supported CV, essay, and application preparation for an admitted computer science graduate applicant.

University of Chicago — Advised a student who received a guaranteed transfer offer.

UC Berkeley — Provided application advising to a student who received an offer.
